Introduction:

In May 2006, a servant of God was brought to Heaven to meet with the Lord Jesus to receive a revelation of 6 messages. Brani Duyon @ Efendie, 52, a Dusun ethnic, serves in the Borneo Evangelic Church, Kota Belud, Sabah (in East Malaysia) as the Church Elder. He had served as Pastor in Melangkap Baru, Kota Belud for some time. Then he became the Church Leader at the SIB Bayayat from 2005-2006.

In 21 April 2006, my wife and I went to the West Malaysia to attend the wedding of our son. Unfortunately after one week being there, I was attacked by a sudden stroke. I was immediately brought to the medical centre in Malaya University. The Doctor who examined me indicated that there were burst blood cells in my brain and I needed to go through operation immediately. I was in comma for one week after the operation. And it was one month that I was put into the intensive care unit. During those times,

there were many fellow servants of God came to visit and pray for me including the former SIB Sabah President, Pastor Taipin Melidoi, and his assistant Pastor Datuk Arun Selutan, and also the Supreme Secretary, Pastor Michael.

There was one time when I dreamed of a heavy rain pouring on me. I interpret this dream as the answers to the fellow Pastors who had prayed for my recovery. Praise God, with His power I recovered sooner than expected.

In one midnight during the third week of May 2006, I felt strange that I could not go to sleep while the other patients had slept soundly. During this time, I had my mind only on Jesus. Then I remembered the Word of God in Isaiah 43:26 “Review the past for me, let us argue the matter together; state the case for your innocence.” I kept thinking of these words because I wanted to focus my mind only on the Lord Jesus. I could feel the strong presence of God at that time.

Then I started to pray in spirit. After praying, I tried to sleep again but I just could not do so. Then I leaned back in my bed until suddenly I realized someone tapped on my back and stroked on my head and this happened for a while. Then I could feel something amazing flowed into my body. I believed it was a father’s love to his child. I wondered who this person was. When I turned to face him, I was amazed to see that he was such a young and handsome guy, well-built and tall with a long hair down to his neck and he was wearing a white dress. Then I asked him, “*are you the Lord that I have been thinking of?*”. He only shook his head . Then I asked again, “*if not then who are you?*” At last he started talking to me “*I am a messenger from Heaven. Jesus ordered me to come to you for good news.*”

Now I realized that he was the Angel of God. Then I asked him, “*what is the good news you want to tell me?*” He replied, “*tonight you will go to Heaven*”. Immediately I felt very calm and peaceful even though my body was sick. I felt as if I did not have any pain. And Indeed I had fully recovered from my sickness the moment when the Angel told me that I was going to Heaven. Then I said to the Angel, “I’m ready to follow you to heaven. I can’t wait to see my Lord.”

While we were walking I saw my earthly body was still in bed. After we walked out of the hospital, I saw an amazingly big and tall horse. “*We will ride this horse,*” said the Angel. The Angel helped me to get onto the horse since the horse was very tall. Then I asked the Angel, “*can we go to Heaven by riding this horse?*” The Angel then assured me, “*of course, don’t be afraid and worried. Have you read the Word of God about Elijah who was taken up to Heaven by God?*” I told him “*yes, I read it before. The vehicle that brought him were the chariot of fire pulled by horses of fire.*” “*That’s right, and that is one of the horses that we will ride now,*” said the Angel.

At first we were going slow, but after moving about 100 meters the horse accelerated to a very high speed and I felt as if we were hit by a hurricane. Then I saw the horse was already flying. We crossed all mountains with ease because we were flying with God’s power.

Then we reached to a very big field where all the grass were all green – none of them was dried (**Psalm 23:2 “He lets me rest in fields of green grass and leads me to quiet pools of fresh water”**). After the Angel stopped the horse, we then went down and began walking.

I can see the Kingdom of God right in front of my eyes. As we were walking on the field, I heard a bell rang. Then I asked the Angel *“what is the bell ring for?”* He said *“the bell is to sign that someone has come.”*

We continued walking until we reached to the end of the field while the bell was still ringing. Then I saw a very beautiful house where on top of it was a red light like a traffic light. On this light I saw the number “51”. I asked the Angel what the number meant. He said, *“what is your age now?”* During this time I was 51 years old. *“Then that number is your age, so is your house number too,”* the Angel told me. I felt so happy and peaceful to see what God has prepared for me in Heaven. I saw many houses which are already prepared by Jesus for His children who believe and follow Him.

Then we continued walking and reached to a very huge house. When we were there, I saw many people were inside the house. I believe they were the holy people that God have chosen. During this time, they were praising God. I saw Jesus was sitting on His throne while all people were praising and worshipping Him. They praised with all their hearts, they danced, they lifted their hands and they bowed to their knees. Deep in my heart, *“if only people on earth praise and worship Him like this, how God will be very pleased.”*

I saw many people were crying while praising God. Jesus smiled on watching how devoured were them to worship God. They lifted their hands towards Jesus and Jesus was blessing all of them. After the service finished, Jesus walked among them and then He wiped off their tears. Then I remembered the verse in the [book of Revelation](#), ***“there will be no more death, no more grief or crying or pain “.***

The Angel brought me in to meet with Jesus. The Angel spoke to Jesus *“Lord, this is the son that You have chosen to come here.”* Jesus then said to me, ***“ great! My son you have come today”***. Then Jesus hugged me and it made me so happy and peaceful that I cried. My soul jumped with joy because Jesus Himself hugged me.

The Angel then said, *“Lord, I went to His house on earth when he was sick, nevertheless You know better.”* Jesus replied, ***“yes, I heard and saw what happened to him.”*** The Angel continued, *“during that time, I heard his wife pray for Your help. In her pray: “Lord, help us, please don’t take him now because we are not ready for him leaving us yet.” That was her pray, Lord.”* Jesus then said, ***“I know everything. Her wife is a God-fearing person. She is faithful to Me and diligent to pray to Me.”*** Then my soul cried again thinking of my wife’s faithfulness to God.

Then God spoke to me, ***“My son, you will be back to earth because this is not your time yet to be here. There are a lot of work that you have to do when you go back there. You will be very busy to serve Me.”*** Then I replied, *“Lord, please don’t ask me*

to go back because I am very peaceful to be with You here. I feel happy to be close to you Lord. Please I don't want to go back." From His face, I can tell Jesus became disappointed. Then I begged Him for His forgiveness because I had disappointed Him. I said, *"Lord, I'm ready to go back to earth but please help me Lord, give me strength, and take care of me wherever I go. Be with me Lord."* Jesus then said, ***"yes, don't worry, wherever you go to serve Me, I will always be with you."*** During this time, the Angel was ready to send me back to earth.

While we were ready to go back, Jesus stopped me because He had messages for me to bring to earth. He wanted me to tell these messages to the children of God on earth. ***"These messages are very important for them to know"***, said Jesus. Jesus added that I would be very busy to convey the messages. Besides, Jesus also wanted me to share my experience to all children of God so that they will be blessed and get new strength to follow Him.

Jesus spoke to me, ***"when you go back to earth tell all My children about these messages"*** (There were SIX MESSAGES which Jesus had given to me):

FIRST MESSAGE:

"Tell My children, they must to believe in Me with all their hearts, their strengths, and their minds. Those who are worried and doubted will not get into here." Said Lord Jesus.

SECOND MESSAGE:

"Tell My Children, They must be faithful to come to the Church service because that is the time when I will shine over their faces and they will look for my face. I will be very pleased to see My children worshipping at Church." Said Lord Jesus

THIRD MESSAGE:

"Tell My Children, They must be faithful to pray, do My will, and live with My words" Said Lord Jesus

FOURTH MESSAGE:

"Tell My children, they must be obedient to give tithe and offerings". Said Lord Jesus (While Jesus gave this message, He say ***"My child, Look there"*** He showed me beautiful houses which are ready for His children. ***"My child, these houses are ready, I prepared for all My children, that believe and obedient to Me."*** Then He showed me the houses which are not yet completed. I ask ***"Lord, why are these houses not yet completed?"*** Lord Jesus say ***"My child, these house are belong to My children that not generous giving tithe and offerings. These houses will be ready and completed after My children giving more tithe and offerings in My House."***

FIFTH MESSAGE :

“Tell My children, they must put in pray all their wealth to Me for protection and blessing while they are still on earth so that when I come to earth for the second time, they are not attached to the earthly wealth. Remember the story of Lot wife,” said Lord Jesus.

SIXTH MESSAGE :

“Tell My children, they must be ready and alert because I will coming soon. Sooner than people expects!” Said Lord Jesus,
(Jesus’ coming is not known but the rupture will surely take place. Lord Jesus will come soon!!!)

While Jesus told me the sixth message, He showed me the condition of the sky which was all clear and no cloud. I saw Jesus opened His hands to earth and He spoke ***“I am ready to take My children.”*** Then I saw many people in white robe flying up to the sky to meet Jesus and then they were gathered to the left and right side of Jesus. Many people who believe in Jesus were ruptured. Moreover, I saw all members of many families were being ruptured. I could see the husband and wife with their children flying up towards Jesus. I felt so peaceful to see this sight.

Then Jesus insisted, ***“look down”***. Jesus showed me the situation on earth with a *magical telescope*. When I looked down I saw the situation was very chaotic. There was no peace on earth during that time. I saw people were running all over the place and they were shouting. Parents tried to look for their children and the youths were looking for their parents. Then Jesus showed me the Church in my hometown. I felt so sad because there were some people who were left behind.

Jesus then said to me, ***“be faithful to Me. You must convey all things that you have seen and heard to My children on earth.”***

Then the Angel sent me to earth with the same horse which we rode before. We quickly reached earth. Then the Angel sent me back to the hospital. While I was seeing my earthly body, my spirit immediately went back into it.

When I realized I was already in my earthly body, I noticed that my body had fully recovered from sickness. Praise God! for His power and company.

I remember that when I was in Heaven my body looked like when I was young

That is my testimony of meeting with the Lord Jesus in Heaven.
